Objectives

1. Please describe your Organisation's mission and purpose (please attach any mission or policy statement for your Organisation, if in writing, or provide a URL, if posted):

The goal of UCP-SARnet is to build a global community of students, university faculties, community activists and members of local governments engaged in the search for solutions to the most pressing global issues of our time articulated in the United Nations Millennium Development Goals.

We contribute to the education of community leaders by inspiring partnerships between universities, community organizations, governments and corporate businesses, promoting community engaged research, compiling a library of online resources and utilizing ICT to facilitate cross-sector collaborations and multi-cultural dialogues.

<http://ucpsarnet.iglooprojects.org/aboutus/ourmission>

2. What ICANN-related issues currently are of interest to your Organisation's constituents/membership:

UCP-SARnet utilizes information and communication technologies (**ICT**) to educate and empower current and future community leaders by helping them effectively address the pressing global issues of our time, articulated in the United Nations Millennium Development Goals. We facilitate networking among our individual members, organizational members and knowledge partners. Finally, we help develop partnerships between universities, community organizations, local governments and corporate businesses. Besides, we organize various workshops and events where ICT plays a vital role in delivering our organizational services such as community courses

<http://ucpsarnet.iglooprojects.org/communityrelatedcourses>

Virtual Events "Bridging the World". The purpose of Virtual Meetings is to create an opportunity for multicultural dialog by bringing together in a virtual forum community leaders, community activists and students from different countries to the country hosting the event. The purpose of the event is to create a platform for sharing the best examples of effective work toward meeting the MDGs conducted in various cultural, social and political contexts. As the first two meetings of this kind were organized by UCP-SARnet at SIAS International University in China and were a great success, we want to make them one of our major international educational activities.

The **EmPeace LABS 2012** International Leadership Training workshop will inaugurate 5 years long project [Empowerment for Peace through Leadership in Agribusiness and Sustainability; Eradicating Poverty in Rural Areas \(EmPeace LABS\)](#) and will bring young people from around the world to co-design and implement pilot projects that leverage local natural and human resources in building sustainable communities.
